# How to Tame a Monster

Anja Venter   Sam Beckbessinger   Wilna Combrinck

Lwando has a little sister named Oyiso.  
Sometimes she is very cute.

But sometimes she turns into  
**a monster.**

That's okay, because Lwando is a

**monster tamer.**

On Monday, the  
monster looked  
**angry.**

But Lwando knew she was just  
**hungry.**

On Tuesday, the monster looked  
**very angry.**

But Lwando knew she was just  
**tired.**

On Wednesday,  
the monster looked  
**even angrier.**

But Lwando knew  
she was just  
**sad.**

On Thursday,  
the monster looked  
**furious.**

But Lwando  
knew she just  
needed some  
**quiet.**

But on Friday,  
**nothing worked.**

Then there were **two** monsters.

The monsters got **bigger.**

RAWWWR!

GRRRAWWR!

And bigger.

RAWWWR!  
GRRRAWWR!

Luckily, Dad is the best monster tamer of all.  
He knows you can't tame monsters by being

**bigger** or **angrier**.

You can only tame  
monsters by  
helping them feel

**safe.**
