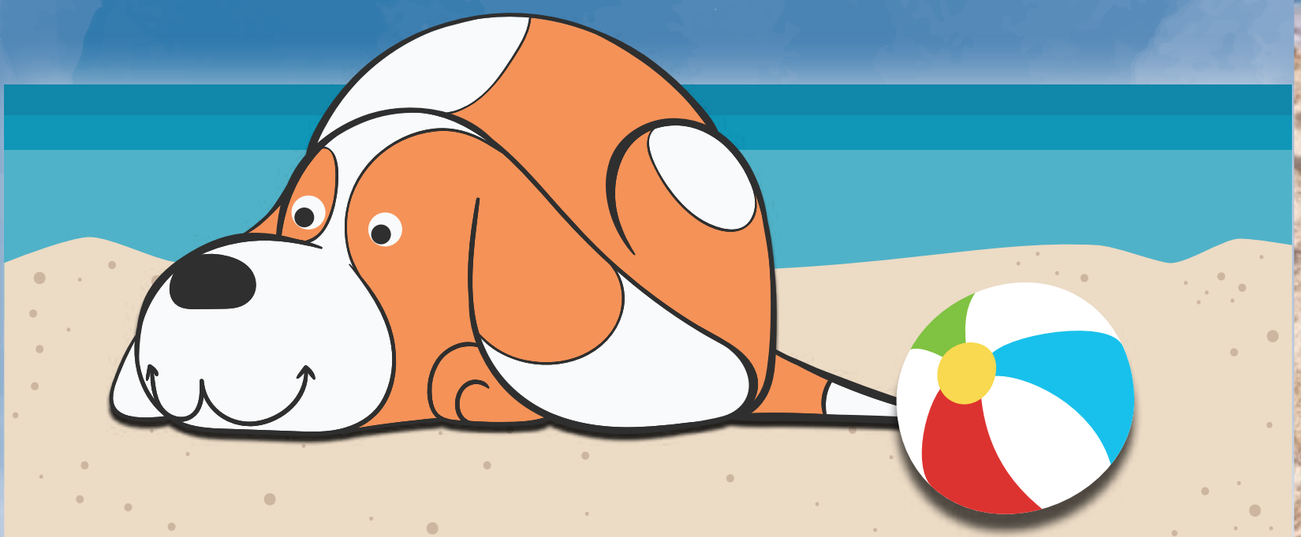
# DOGS!

WRITTEN BY
BEL RICHARDSON

This dog is at the beach.

It is laying on the sand.

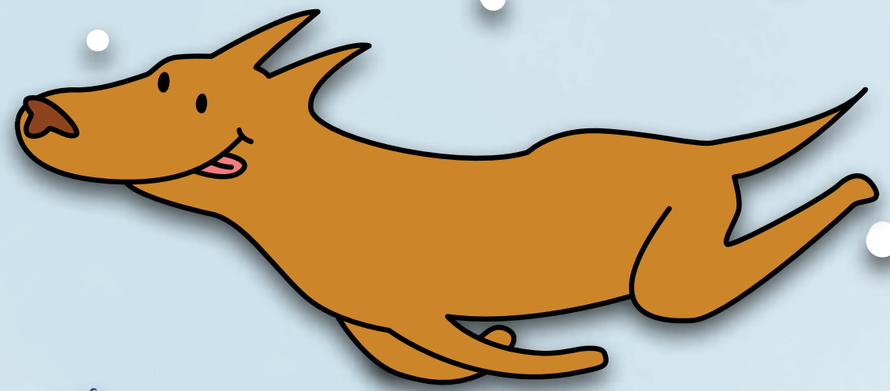
Will it go in the waves?



This dog is in the snow.

It is zooming along.

It does not feel cold.



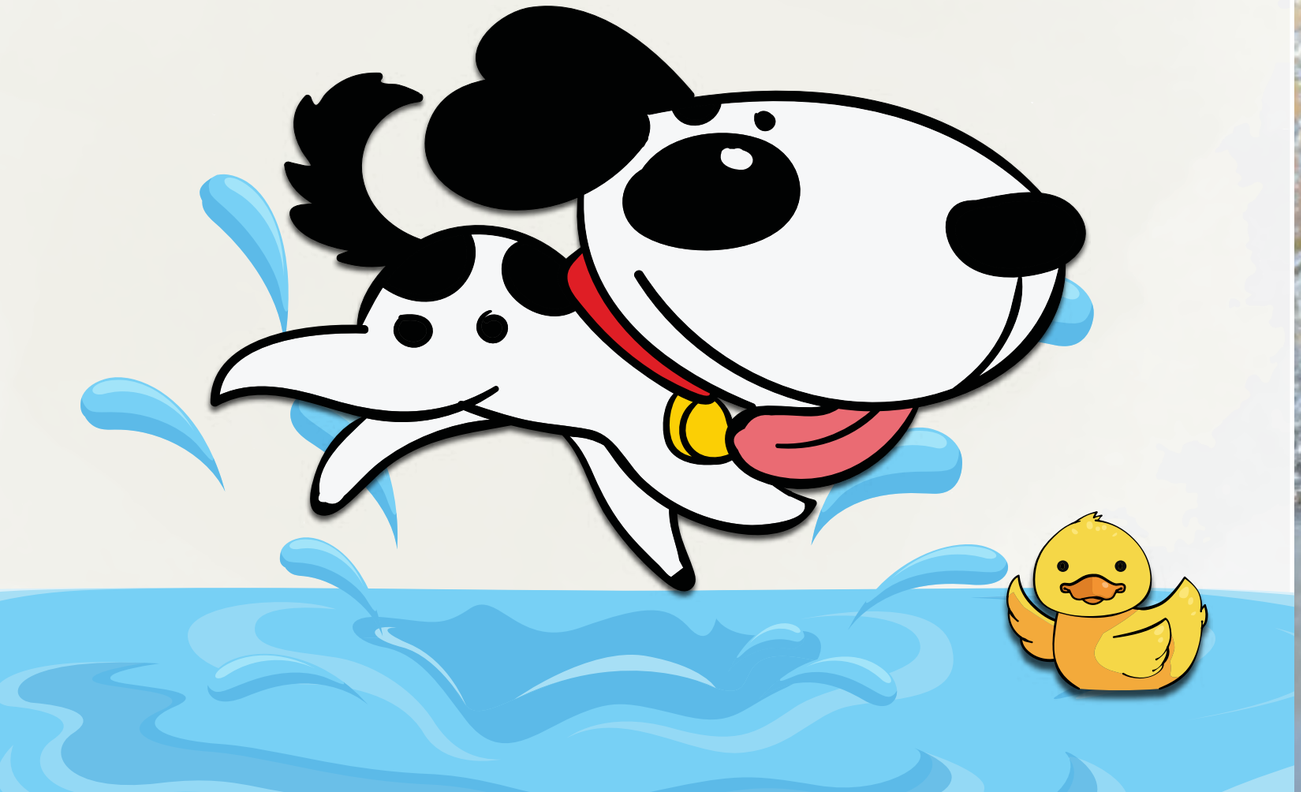
This dog has jumped up in the sky.

Is it jumping to get a ball?

You can never feel lonely with a dog.

Look at the smiles!

Dogs in the water like to swim and play. Dogs can swim very well.

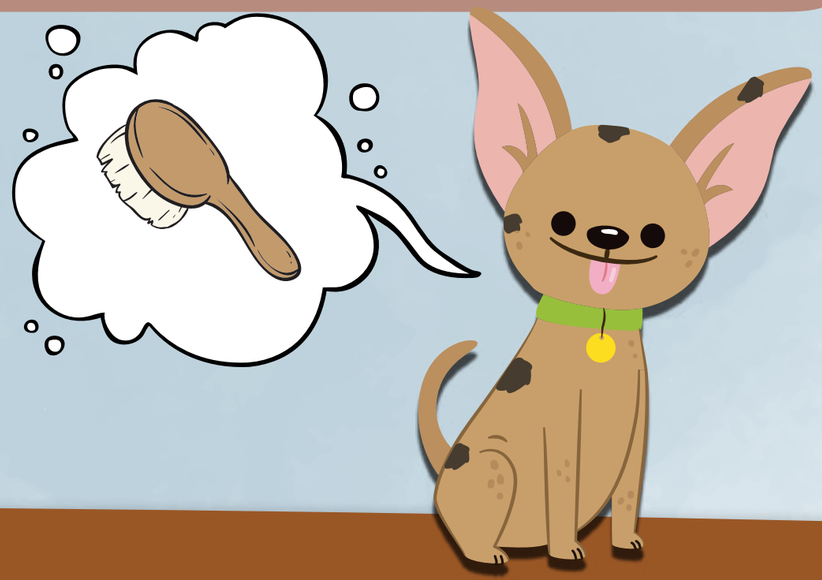


Dogs like to hide and nap in grass. The grass and dirt smells good.

Dogs like to make pals and spend time with them. They are pals with different animals.

You can train a dog to act well outside. Dogs like to be good boys and girls.

This little dog got all dirty in the mud. Dogs like to get dirty. Its fur will need a good scrub in a tub.



Dogs like to go for a ride in the car. This dog looks out of the back window. Will it go to a park?

This dog is in a tub with bubbles and shampoo. It is grumpy about it.

If you look after a dog well, you will always be best pals.

## I'M FREE! HERE'S HOW...

Bookbot books are free, high quality decodable readers based on the order of sounds introduced in the Jolly Phonics early literacy program.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/phonics-books** from your school's website to help support us.

How can we offer Bookbot books for free? Each book is funded by our passionate community who believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can support us too: please contribute to **www.bookbotkids.com/phonics-books**.

**You are free to:**
Share — copy and redistribute the material in any medium or format
Bookbot will not revoke these freedoms as long as you follow the license terms.

**Under the following terms:**
Attribution — You must give appropriate credit, provide a link to **www.bookbotkids.com/phonics-books**, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.
NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.
No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
