

# KITTENS!

WRITTEN BY  
BEL RICHARDSON

This kitten is petting a  
pup pal. If kittens and  
pups play, it looks very  
sweet and cute. 

This kitten is stretching  
out on a pillow for a rest.  
You can see its paws. It  
looks like the kitten is  
smiling. Zz

This kitten is in a soft,  
pink blanket. It is very  
little. It has two black  
stripes on top!

Five little kittens outside  
in the grass. Their eyes  
are blue. Their fur has the  
same stripes. Maybe they  
are from the same litter?

This kitten hid. It got a  
fright. Is it looking at the  
TV? Did something  
surprise it?

This kitten is sleeping in a bowl. Funny kitten. Do you enjoy it in the bowl?

A kitten can sense  
something.

It is keeping very still.

Can it see a fly?

The cat mum licks  
the new kittens. They  
are all so small!

A kitten is sitting with its  
paws in the dirt. It is in  
the weeds. Maybe it is  
looking for a bug to catch.

This kitten is in hands. It  
is up high, but it is safe.  
The kitten is looking  
down at something.

This kitten is high up in a tree! It has its claws in the bark, clinging to the trunk of the tree. It is looking at you!

Little kittens need rest.  
Big kittens need play! All  
kittens need love.

## I'M FREE! HERE'S HOW...

Bookbot books are free, high quality decodable readers based on the order of sounds introduced in the Jolly Phonics early literacy program.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **[www.bookbotkids.com/phonics-books](http://www.bookbotkids.com/phonics-books)** from your school's website to help support us.

How can we offer Bookbot books for free? Each book is funded by our passionate community who believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can support us too: please contribute to **[www.bookbotkids.com/phonics-books](http://www.bookbotkids.com/phonics-books)**.

### You are free to:

Share — copy and redistribute the material in any medium or format  
Bookbot will not revoke these freedoms as long as you follow the license terms.

### Under the following terms:

Attribution — You must give appropriate credit, provide a link to **[www.bookbotkids.com/phonics-books](http://www.bookbotkids.com/phonics-books)**, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
