Screech ... screech ...
screech ... The baby turtles
are hatching.

Beach! The big sea! All baby turtles must go there!

What is that? Watch out! It might be dangerous. Save yourself, baby turtles!

Plop! Plop! Plop! Luckily all the baby turtles have already reached the water.

Uh-oh! Where would all the baby turtles be brought to?
Heeelp!

Oh, they are just moved to a bigger pool. Splash! The baby turtles are happy to feel the fresh water.

It's been three days already.
The baby turtles start to get
hungry.

It must feel good to play
with the fountain water.

But oh, why do they feel
their body itchy? It's itchy on
this side, and that side.

Wow, wow! Where are they bringing all the baby turtles?

Oh, they all get cleaned up. Brush, brush, brush. Scratch, scratch, scratch. Haha! It feels ticklish.

Splash! The baby turtles are now clean. The water is also clean now. It feels fresh!

Oh, now where are they bringing all the baby turtles?

To the sea! All baby turtles are racing to finish first at the sea!

It doesn't matter who will win if they can all reach the sea.

It's so exciting!
