

The Expeditions of Tiwi and Boni

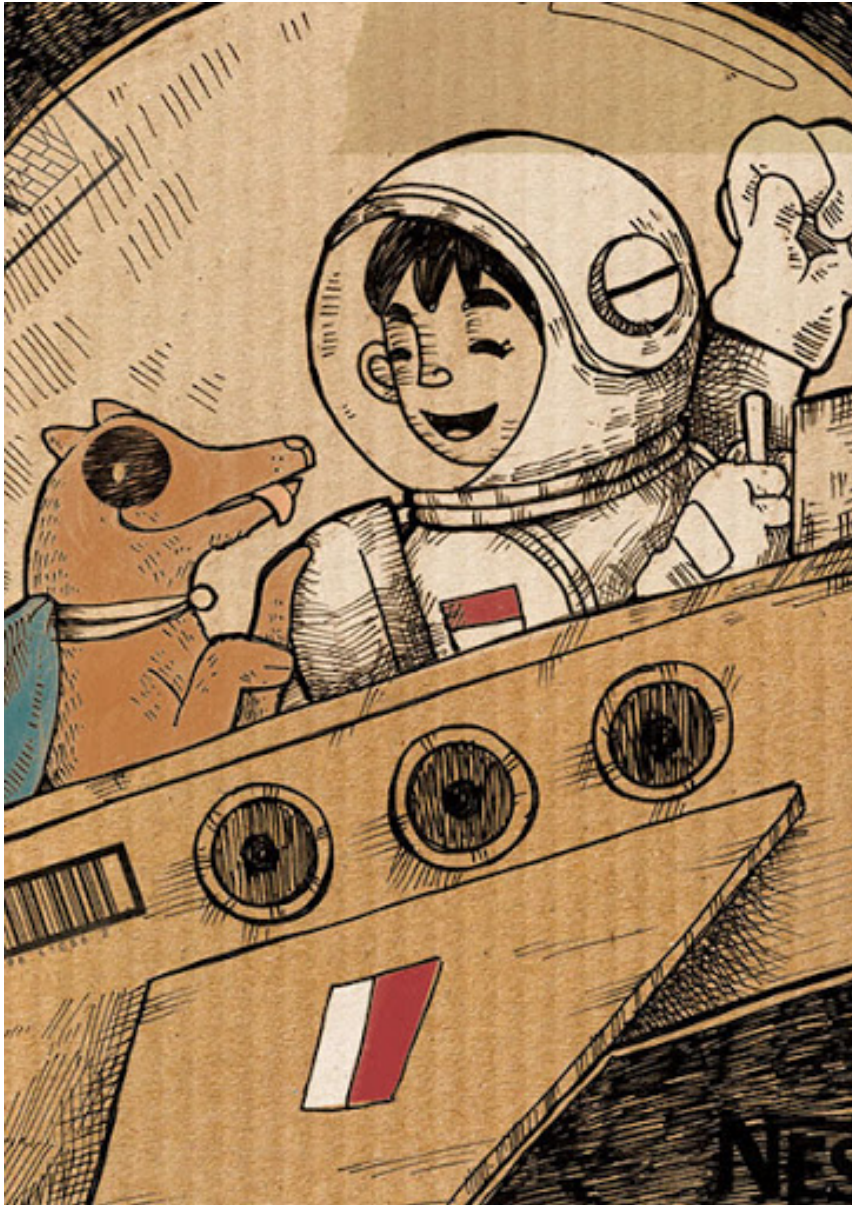

Tiwi and Boni are outer space Explorers. Their mission is to find a planet.

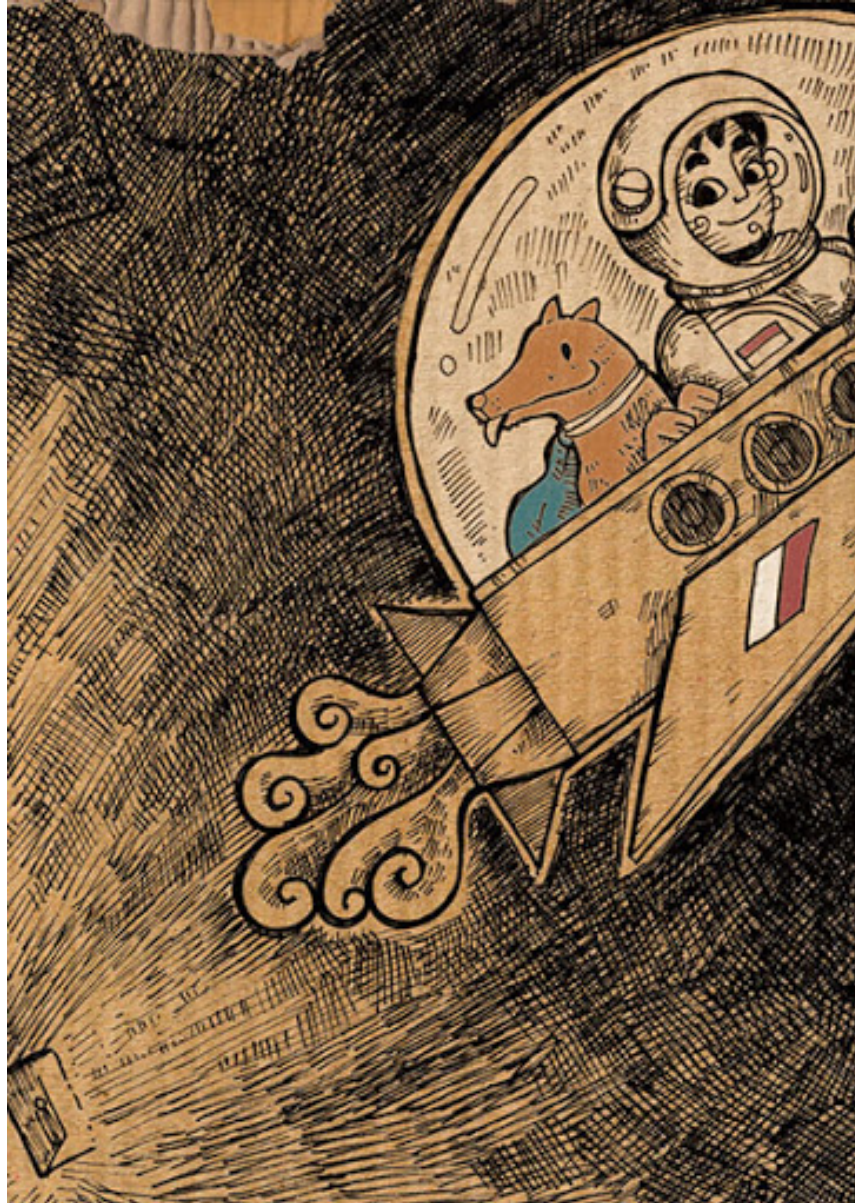

That planet is round and blue. They have to find it very fast. They don't have much time.

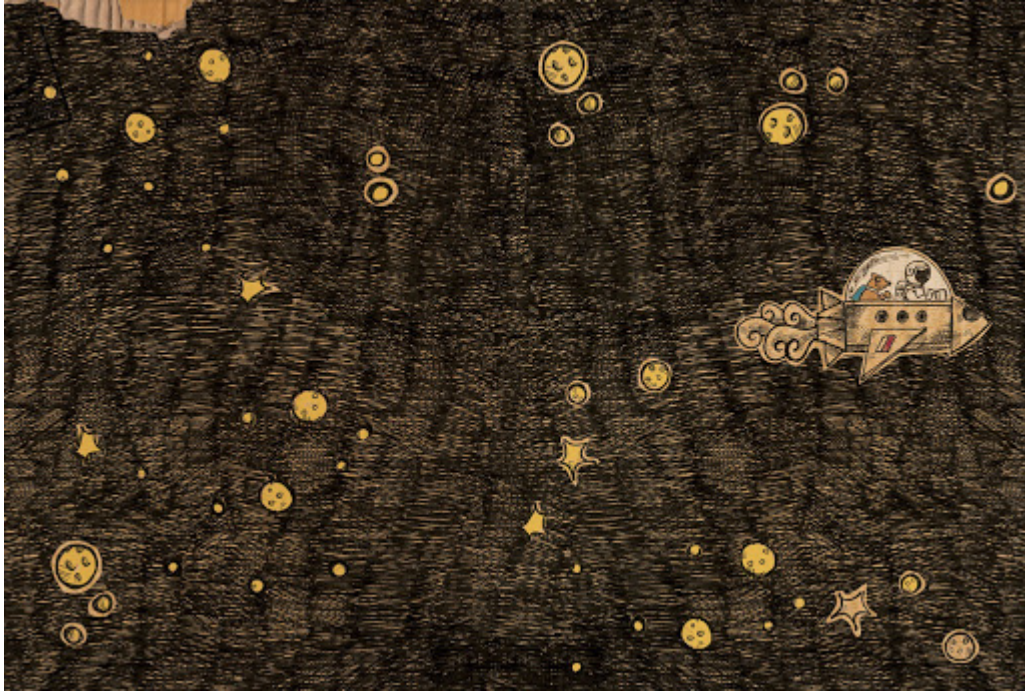

First, they need a spaceship.
They have to search in the
dark room.

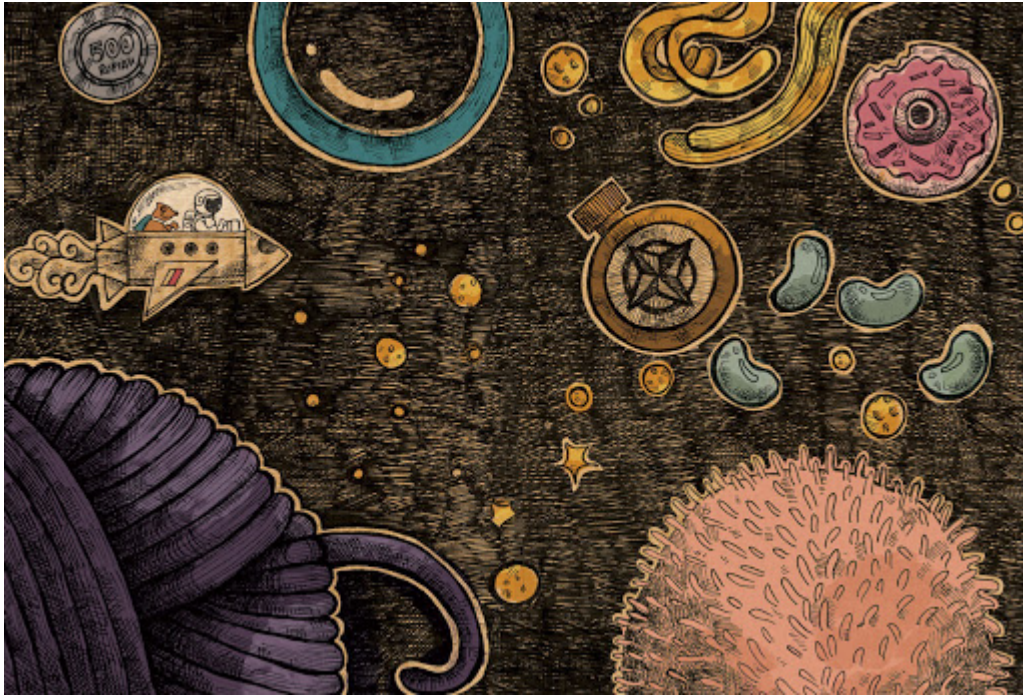

Tiwi and Boni found the spaceship! They turn on the machine. They are ready for the expedition. The journey begins!

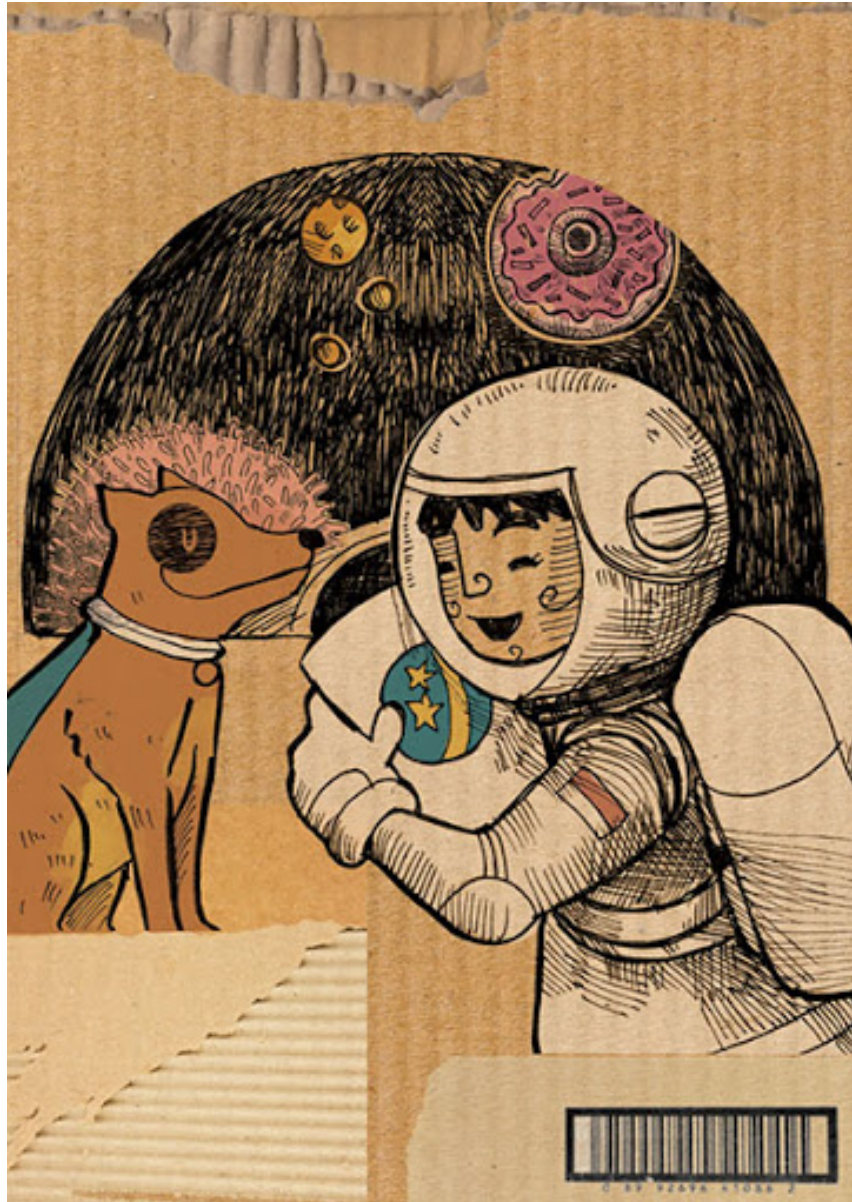

The spaceship dashes in a flash...

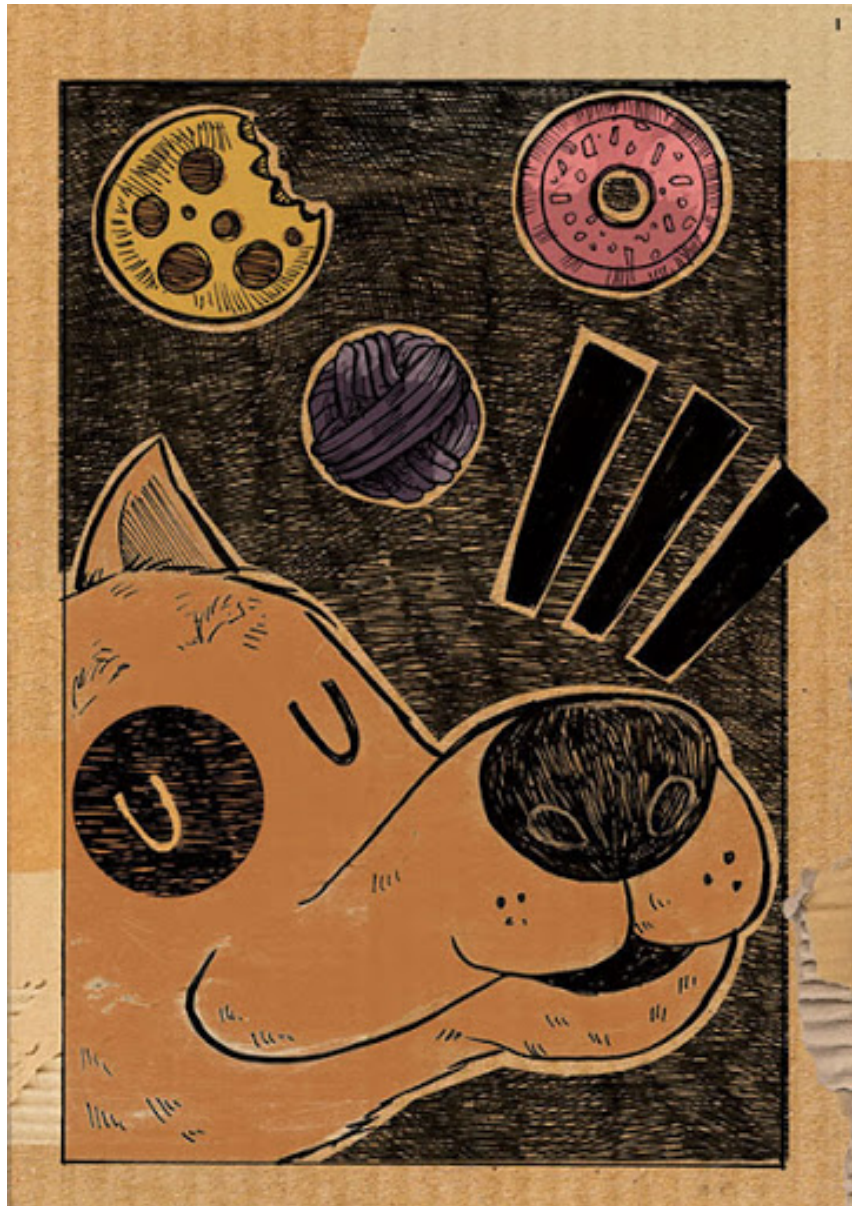

... to the mysterious outer space.

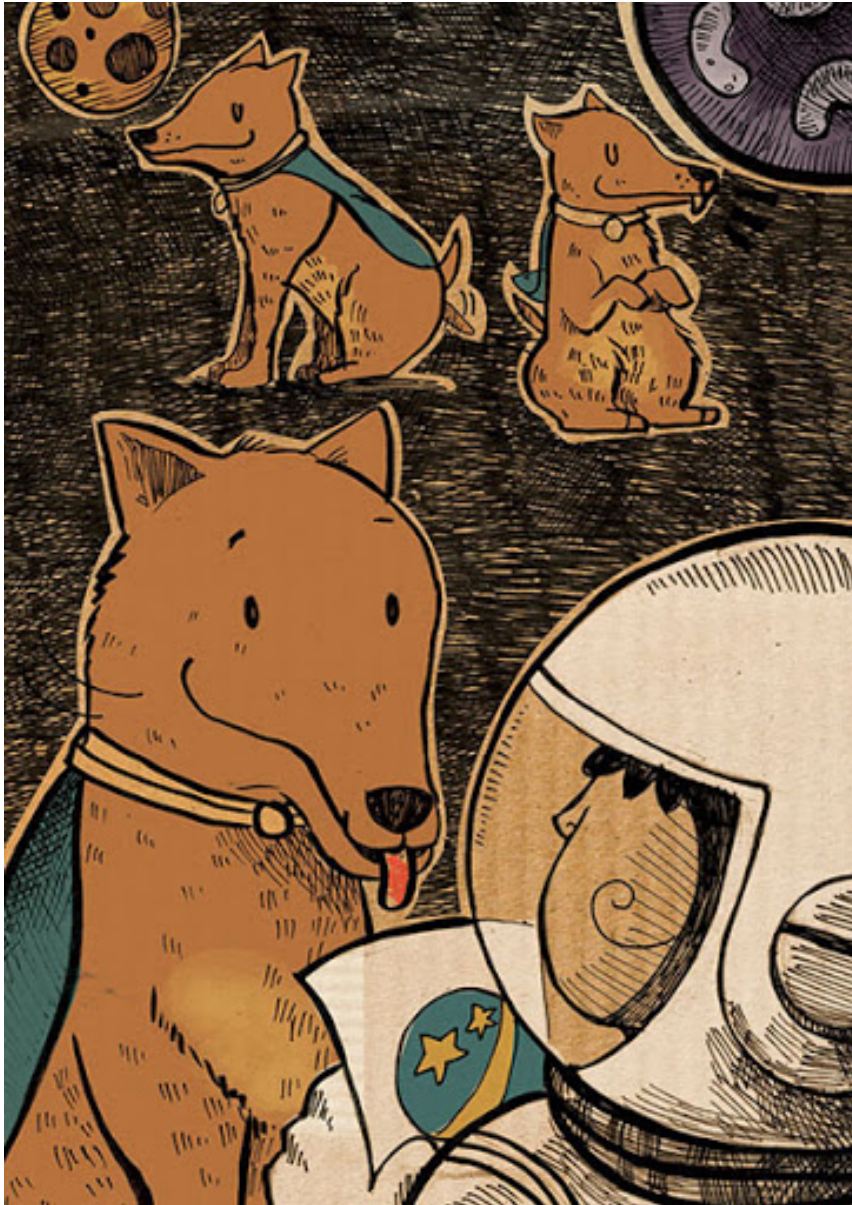

Many outer space objects are floating. One... two... three... and many more!

Is one of them the planet they are looking for?

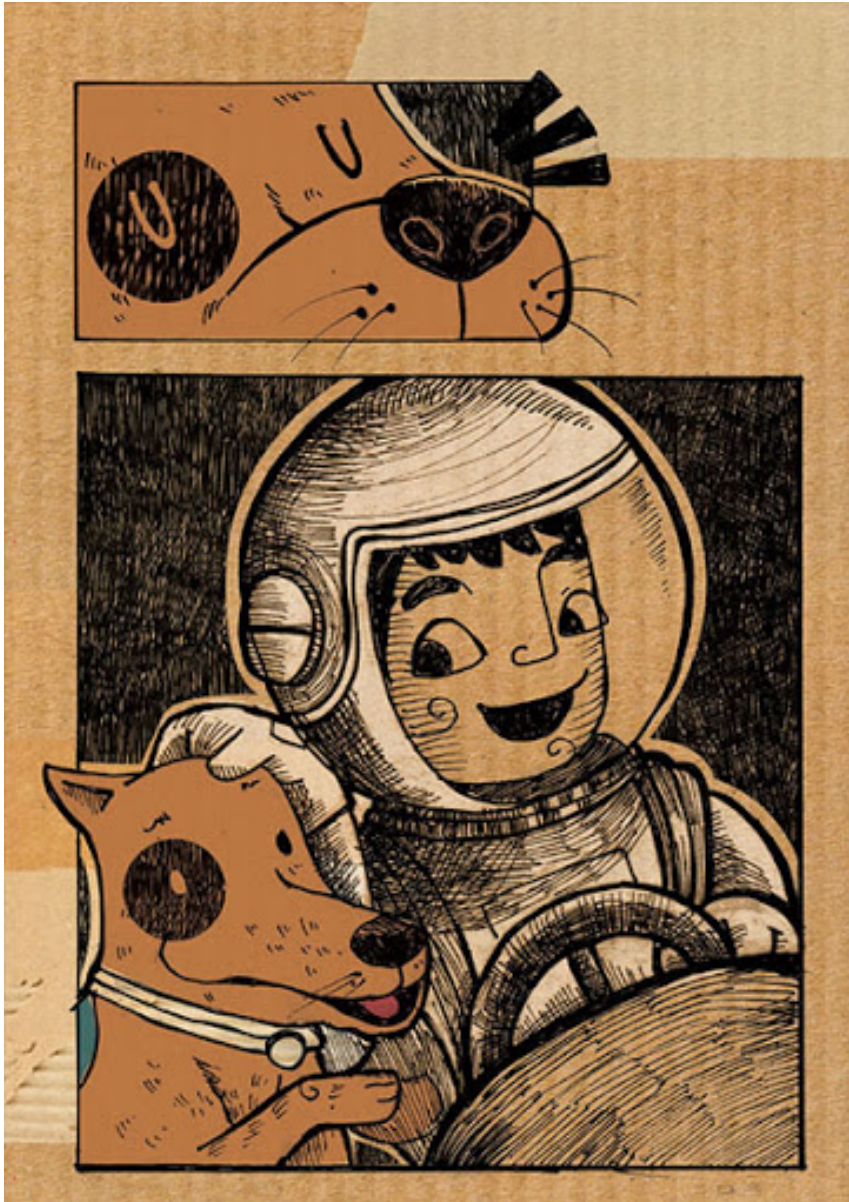

Sniff... sniff... They see two round planets, but they are not blue.

Sniff... Sniff... There is one brown polka dot planet. This is not the one Boni is looking for. There is another round planet, but it is still not the one they are looking for.

Sniff... Sniff... Boni smells something familiar.

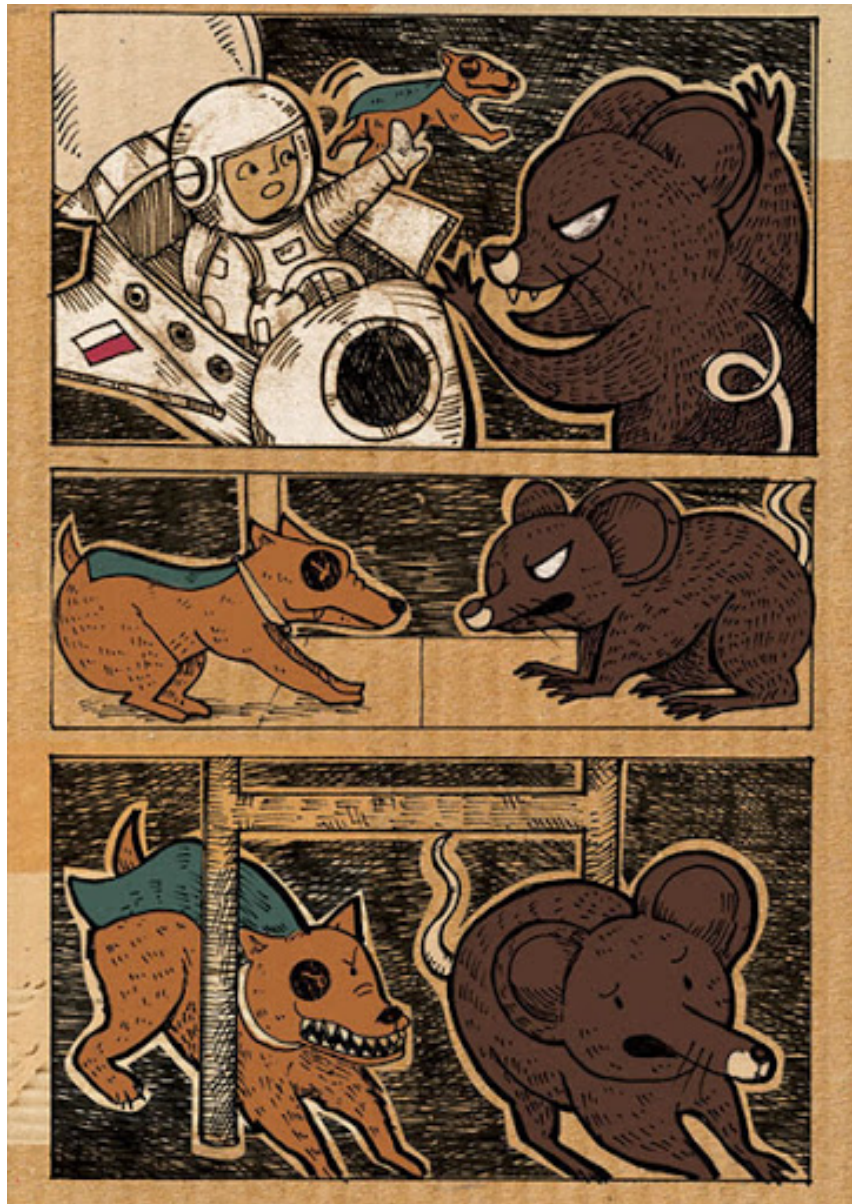

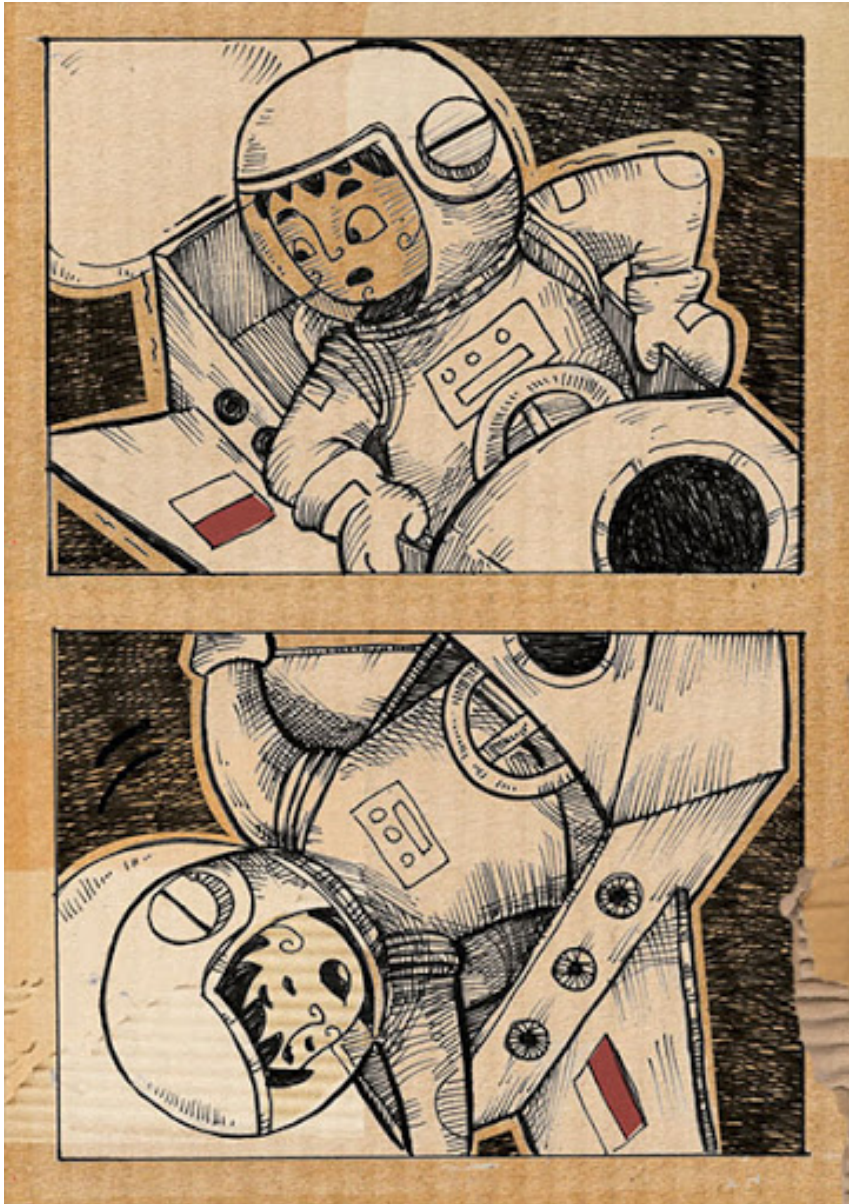

There it is! It is Boni's planet.

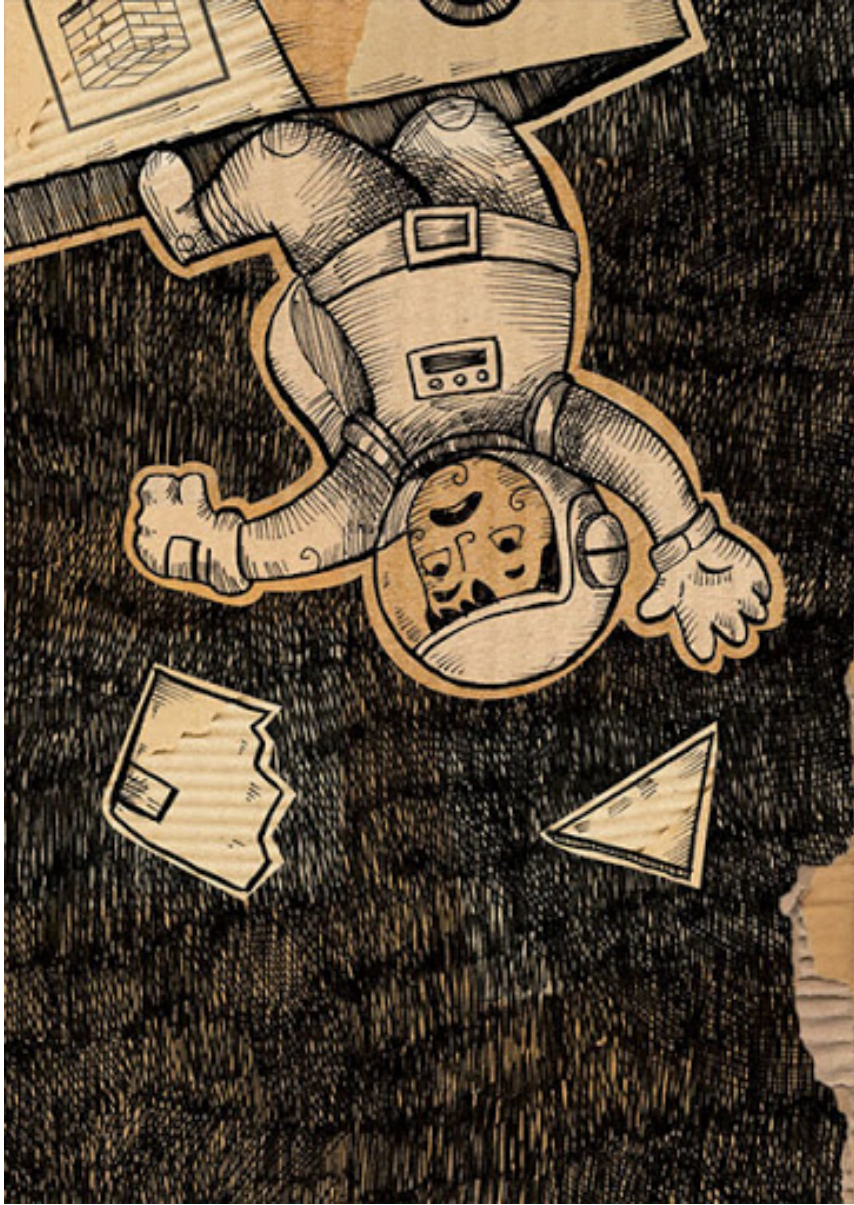

Oh no! A big monster is guarding it.

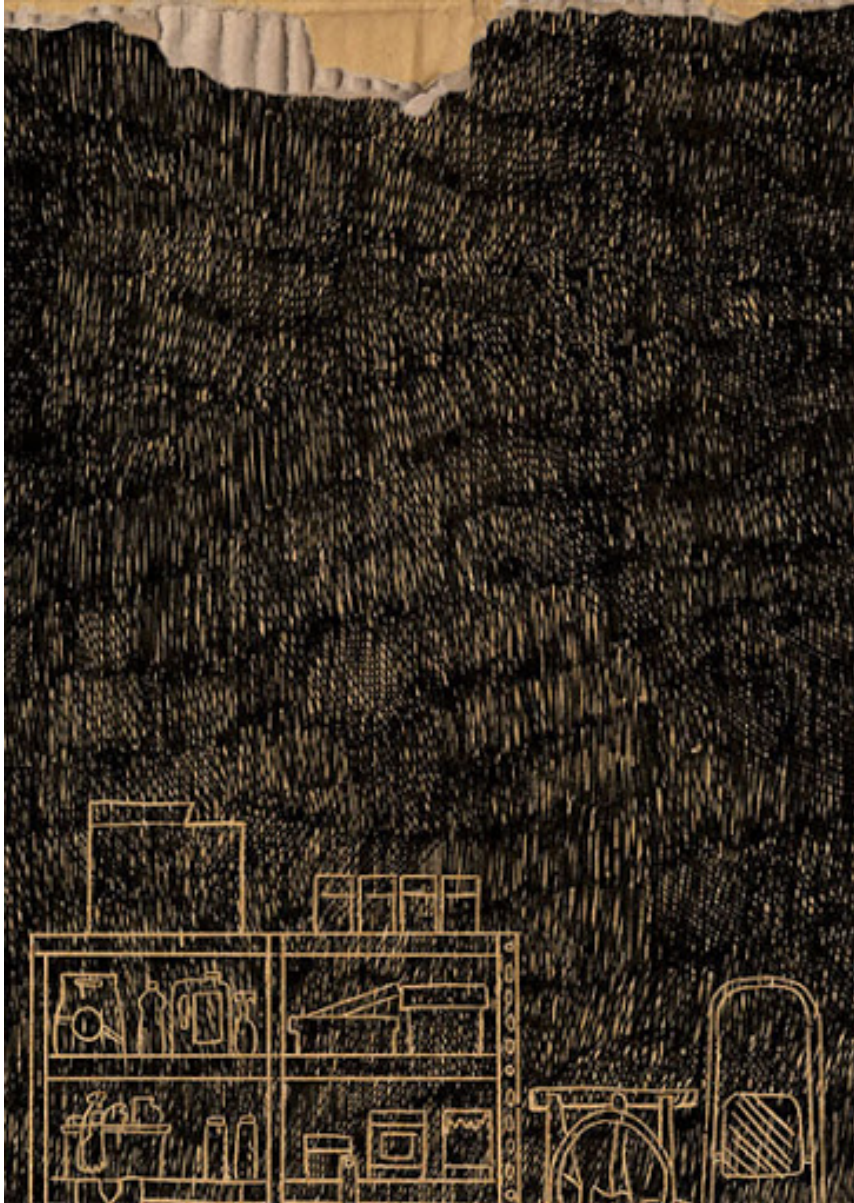

Boni is not giving up. He has to get that planet. Ouch, Boni bumps into the spaceship.

The spaceship shakes, turns around, and is now upside down!

Whoooah

Oh no, the spaceship is completely broken. "Help!"

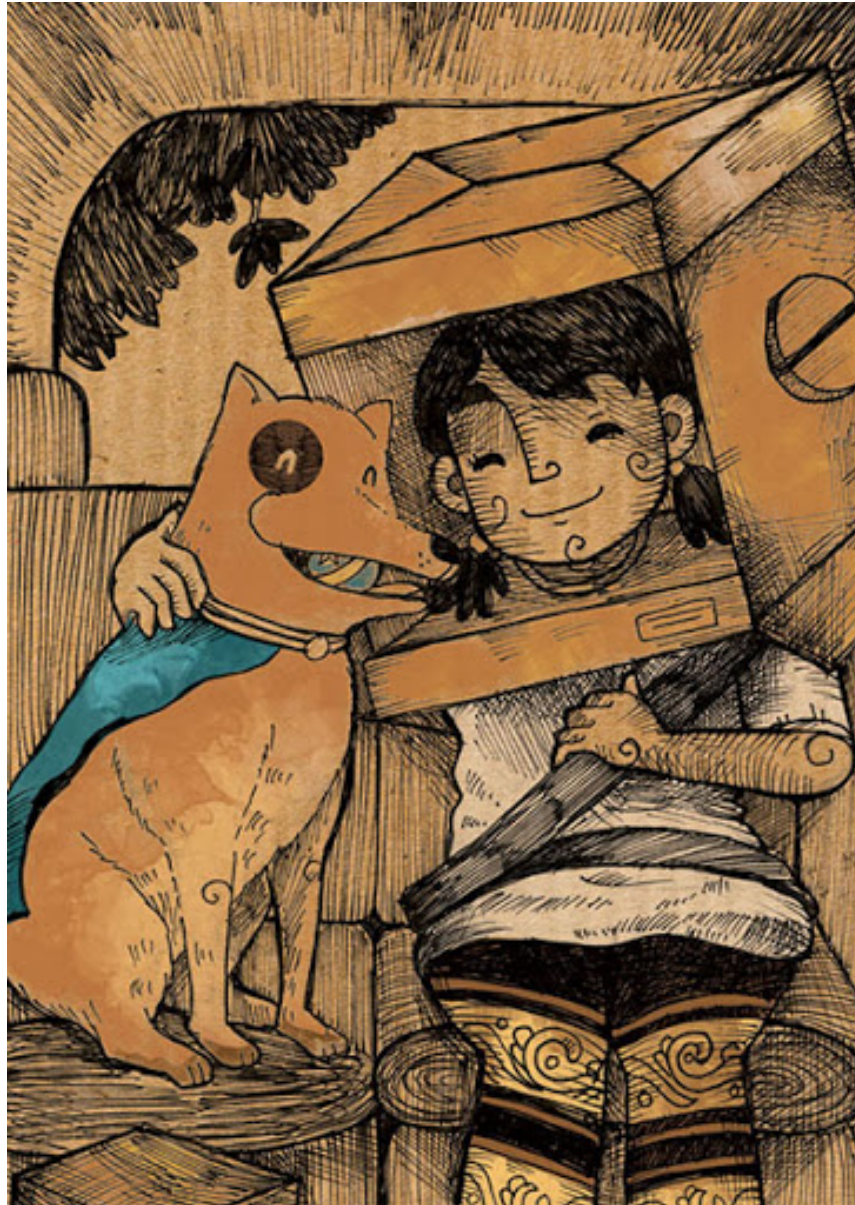

"Tiwi?"

"Why are you playing here in the basement? It is dark here. Dad is waiting in the car," Mom said. "We had to find Boni's missing ball, Mom. Boni cannot go without it," Tiwi answers.

"Now let's have another expedition!"
