There is a simple yellow circle.

And he doesn't feel comfortable.

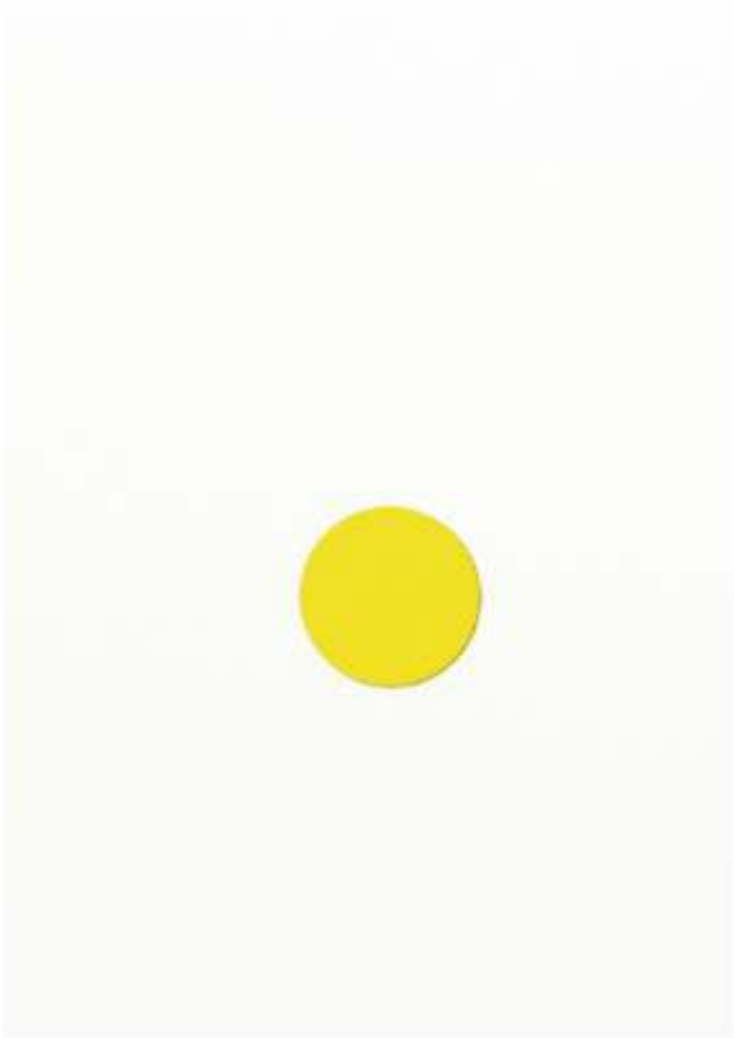

Look! He has no way to show his feelings.

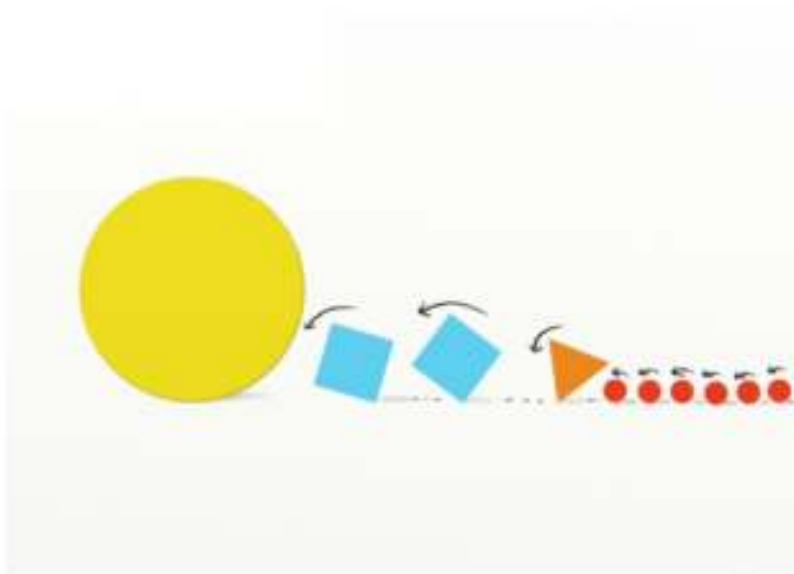

Does he feel sad? Does he
feel happy?

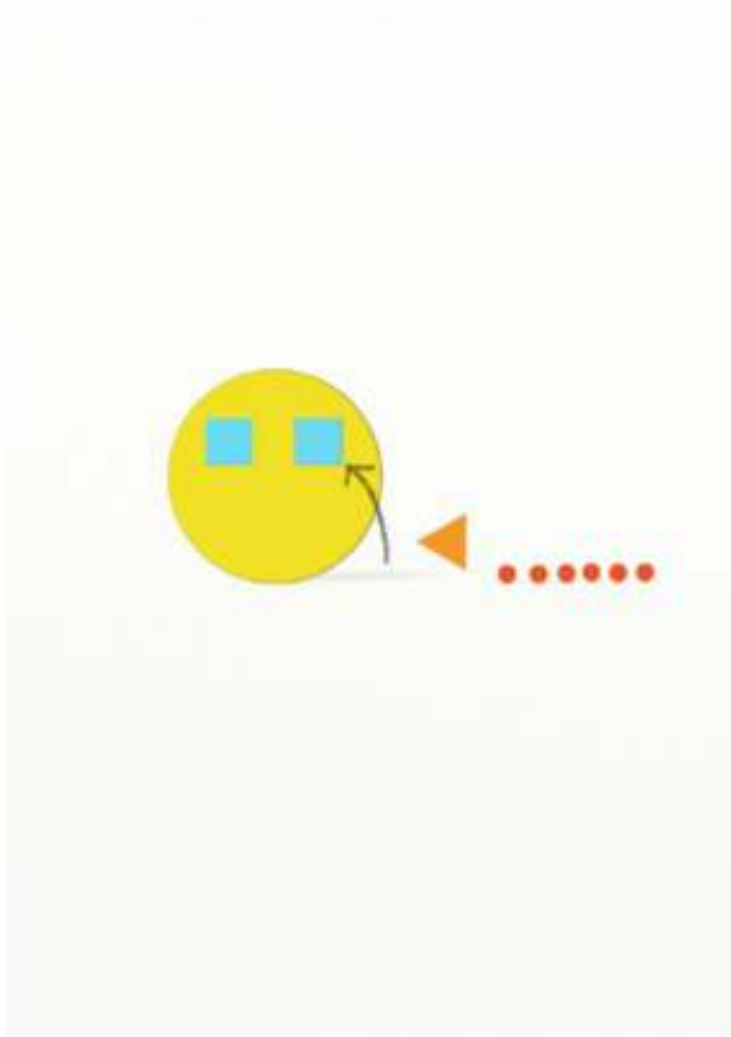

No one knows.

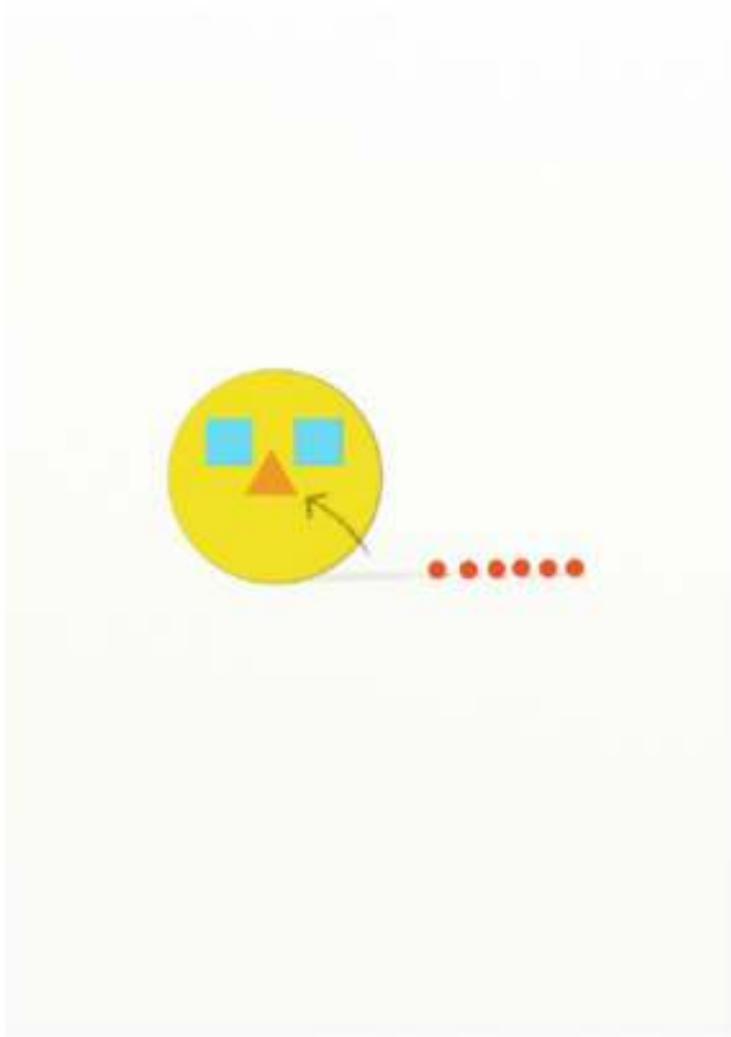

But then...

The squares come to show
his eyes.

The triangle comes to show his nose.

And the little circles come to show his smile.

Two more for his black pupils.

May I have more circles,
please?

Look at him now! He is a happy yellow circle with a very big smile on his face.

How would you feel if you
had nothing on your face to
express your feelings with?

Brought to you by
