Long time ago, thanks to favorable weather, everyone got bumper crops. All animals enjoyed a comfortable and happy life.

The small animals were living peacefully on their green grassland when suddenly, one day...

... A fierce elephant came from nowhere. He started destroying the village.

Evil Elephant tried to drive  
all the grassland folks away.

Too scared of Evil Elephant, the small animals could not go out to find food until he slept.

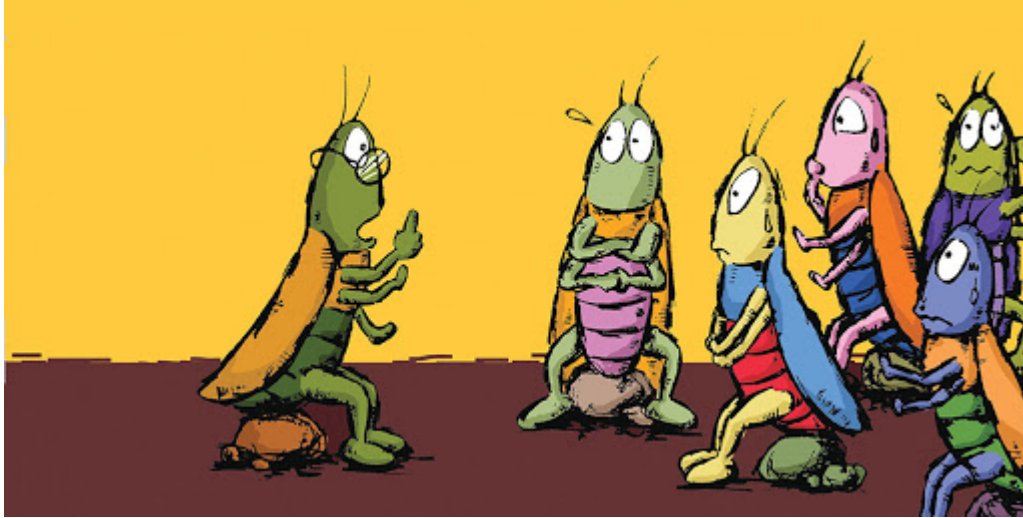

Living in the grass, Small Grasshopper was especially nervous all the time. If unfortunately stepped on by Evil Elephant, Small Grasshopper would be crushed into dirt for sure.

Could not stand that strait forever, Small Grasshopper gathered his friends to find way of driving Evil Elephant away.

Small Grasshopper said. - If we leave the giant guy do as he pleases, every single grassland animal will die of hunger. And we also can die anytime because of his pillar-like huge legs.

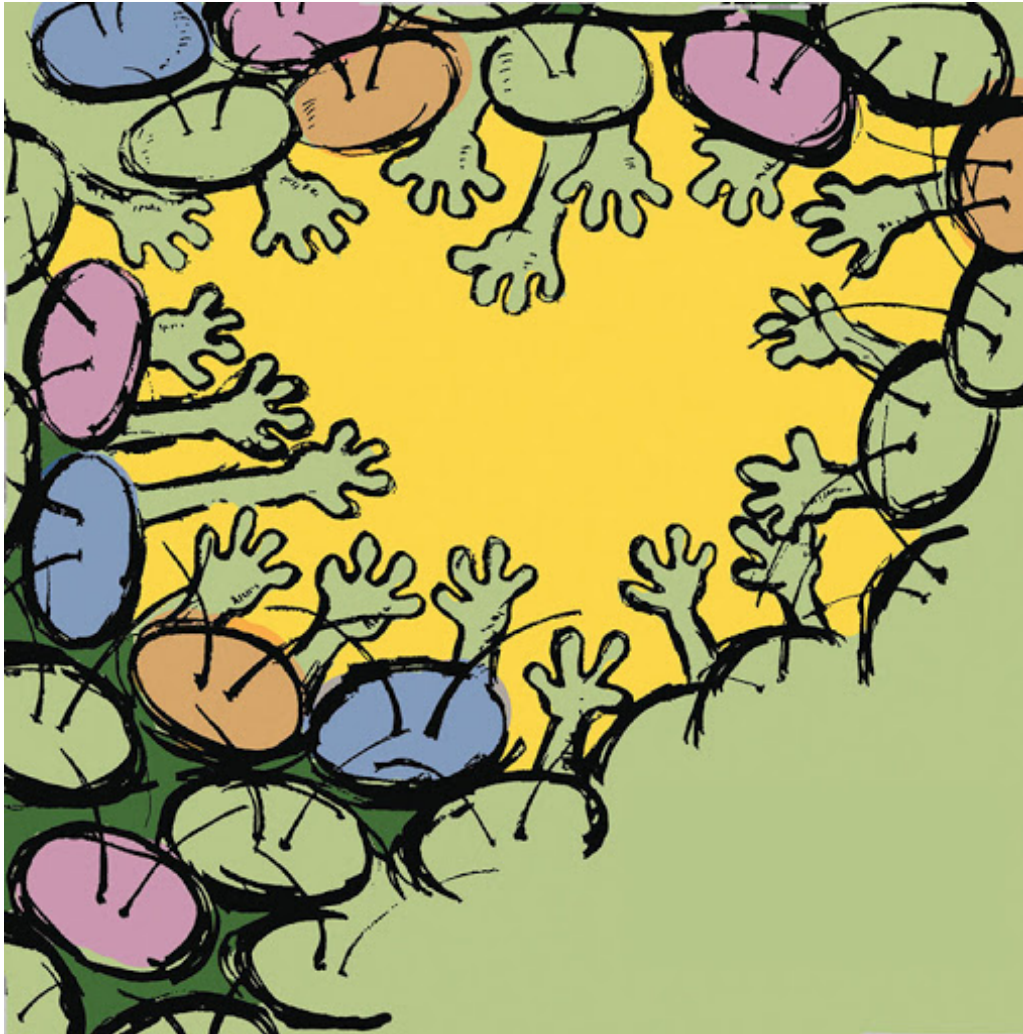

- Small, weak and with poor eyesight like me, I will be dead for sure if I face him alone...

- But if all of us attack him together...

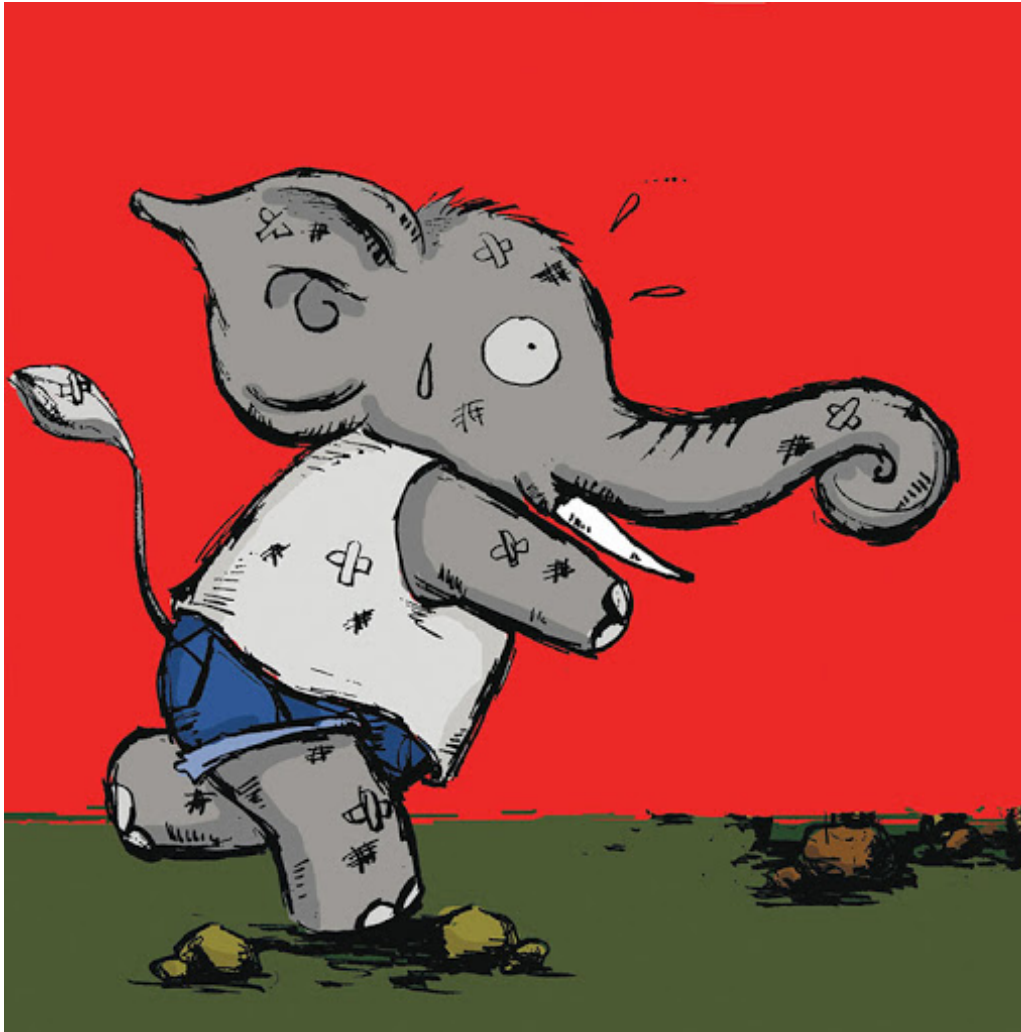

- Let see if he can handle it anymore.

Listening to Small Grasshopper, his friends all nodded in agreement. They scattered to gather more friends to band together and drive Evil Elephant away.

Hordes  
of grasshoppers swarmed  
over the grassland. They  
swooped on Evil Elephant all  
together.

Abruptly attacked, Evil Elephant got at sixes and sevens and surely unable to deal with a sea of grasshoppers. He could not do anything but run away and never come back again.

Thanks to their united power, the small and weak grasshoppers won over that huge Evil Elephant. The grassland folks whooped cheerfully. - Bravo, grasshoppers' attack on elephant.
