

# Big

The bus is big.

The elephant is big.

The mountain is big.

The boat is big.

The castle is big.

The tree is big.

The plane is big.

The fire truck is big.

The Mustard Seed Books project uses an open-source, Wikipedia-type strategy, leveraging public expertise to create and refine a set of high-quality books that support early reading development. All of the books and pictures are covered by the Creative Commons License (<http://creativecommons.org/licenses/by-nc-sa/3.0/> ) and are free to print, distribute, and modify for personal or educational use. The books are available at [www.mustardseedbooks.org](http://www.mustardseedbooks.org). New titles appear on a regular basis.

There is a blog post on the website so that we can receive and discuss feedback on the books. These books have been revised a number of times, but we'd love to keep improving them. Any feedback is welcome. We also welcome photos or ideas for new books.

Photos for these books come primarily from Flickr ([www.flickr.com](http://www.flickr.com)) and the Morgue File ([www.morguefile.com](http://www.morguefile.com)). Both sites are great resources for high-quality publicly accessible photos and for aspiring photographers looking to share their work. All photographs are covered by the Creative Commons License (<http://creativecommons.org/licenses/by-nc-sa/3.0/> ).
