

# Looking at Animals

"I like swimming in the water",  
said the snake.

"I like playing in the dirt," said  
the pig.

"I like climbing up in a tree,"  
said the squirrel.

"I am looking for food," said the eagle.

"I am swimming in the water,"  
said the hippo.

"I am sitting in the sun," said the turtle.

"I am eating leaves," said the panda.

"I am looking at you!" said the tiger.

The Mustard Seed Books project uses an open-source, Wikipedia-type strategy, leveraging public expertise to create and refine a set of high-quality books that support early reading development. All of the books and pictures are covered by the Creative Commons License (<http://creativecommons.org/licenses/by-nc-sa/3.0/> ) and are free to print, distribute, and modify for personal or educational use. The books are available at [www.mustardseedbooks.org](http://www.mustardseedbooks.org). New titles appear on a regular basis.

There is a blog post on the website so that we can receive and discuss feedback on the books. These books have been revised a number of times, but we'd love to keep improving them. Any feedback is welcome. We also welcome photos or ideas for new books.

Photos for these books come primarily from Flickr ([www.flickr.com](http://www.flickr.com)) and the Morgue File ([www.morguefile.com](http://www.morguefile.com)). Both sites are great resources for high-quality publicly accessible photos and for aspiring photographers looking to share their work. All photographs are covered by the Creative Commons License (<http://creativecommons.org/licenses/by-nc-sa/3.0/> ).
