Level 2

Grannies come in many sizes,
And they give us funny surprises!
Did you know my granny juggles?
With her, I like to snuggle!

A great spotter of things is she,
She's not one to let things be!
An expert at tossing everything in sight,
People around get quite a fright!

Kitchens, office, the street or the market,
She juggles everywhere and cannot stop it!
It's hard for her to check herself,
No one dares to offer her help!

Coloured balls he brings as a gift,
Says, "Toss them all without a twist!"
Granny blushes and feels quite shy,
That she has this lovely gift to try!

Grandfather now sleeps through the night,
Granny juggles till the morning light!
Her shadow dances on the curtain,
She's the best, I am certain!

Dear Reader,
Have you ever seen jugglers
in a circus?

What do they throw in the air?

Do you think it is possible to
juggle with items like the ones used
by this granny?

#6FrameStoryChallenge: A Carnival of Art

The illustrations in this book were created as part of the #6FrameStoryChallenge, an online campaign run by Pratham Books to build a rich bank of illustrations for StoryWeaver. The essence of the #6FrameStoryChallenge was to tell a good story using just 6 illustrations.

The campaign inspired nearly 70 illustrators to donate their time and skills to India's first open-source story-publishing platform for children.

What started out as an experimental campaign soon blossomed into a carnival of art, birthing nearly 500 new illustrations.

These wordless narratives cut across language barriers, opening up a world of possibilities, encouraging StoryWeaver's growing community to dream up multiple stories around these images.

The #6FrameStoryChallenge is a powerful reminder of the need for collaboration, to get closer to our mission: "A Book in Every Child's Hand."
