Two Minutes, Mama

Our mama is smart, our mama is kind,
But nothing stays in our mama's mind—
for more than two minutes.
Our mama tells us to stay still,
We tell our mama we will—
in two minutes.

I Love Trees

I love all trees, yes, all trees I love.
A tree with sour starfruit hanging above.
A tall, sturdy tree that I could climb,
Or a short one to lie under and make up a good rhyme.

A Bitter Truth

"I love you so much,
I could gobble you up."
So she did.

Hatched

Crack went the shell,
Out popped little Bell.
What's that nasty smell?
The rest are rotten eggs. Oh well.

Crunch!

There's the Kohl Kharabi. Beware!
If you go underwater, she will stare.
Sneak up on her, when it's time for lunch.
Her tentacles are long and they go CRUNCH!

The Stinky Swan

Was it you?
Was it you?
It was you!
No, it was you.

It's Cloudy Today

Fluffy clouds.
Stuffy nose.
Windy wind.
Rainy rain.

Such a Loud Dog

Around me there's never a crowd.

'Cause no one likes to come near a dog so loud.

I bark all day, I bark all night,

I hope no one realises my bark is worse than my bite.

The Sad Sea

The ocean is no longer cool,
The fish are sad, and swim away in a school.
The coral reefs are bleached white,
All this plastic just ain't right.
Let's fight for our oceans and seas,
So that marine life can live in peace.

Smash and Smoosh

Whoosh flew with a whoosh.
Into a window, Smash went smash.
Smoosh, Moosh and Sploosh,
Fell into a puddle with a sploosh.
And Splat went splat.

Up, up and away

What are those?
Are they brightly painted moons?
No, it's Gemma
tied to a bunch of balloons.

What's that commotion?
Are those some noisy goons?
No, it's Gemma
who doesn't want to be tied to
a bunch of balloons.

Art is Everywhere - Here, There and in Food (English)

Art can happen anywhere, using almost anything. In this title of the Art is Everywhere series, the reader joins the artists in looking for forms and shapes in food. Filled with irreverent rhymes, these books will give the reader's imagination wings.

This is a Level 3 book for children who are ready to read on their own.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
