Level 1

Hello!
Can you see me?

I am not easy
to spot.

I can see, but not very well.
Although I have eight eyes.

Watch me jump.
Watch me swing.

I have shared
these tricks with
Spider-Man.

I can crawl up a wall. Don't worry, I will not fall.
The tips of my eight hairy legs can stick to anything!

I don't sleep much.
At night, I go looking
for a snack.

I am like the police. I catch pests like mosquitoes, insects and flies!
Oh wait, there's another one. Am off to catch it. BYE!

More about the spider!

The smallest spider is as big as the tip of a pencil.
And the larger spiders can be as big as a dinner plate.
These spiders live in caves.

Here is an activity you can easily do at home.

Observe a spider – do not disturb it.
See how they can walk on eight legs,
without getting them all tangled up.
