

Where Am I?

Author: Priya Venkatesh

Illustrator: Karthikeyan S.

Level 2

I am happiest among the big trees of a forest.
Flying snakes scare me – they might gobble me up!

**I am a flying lizard.
Where am I?**

I am shy and quick-footed.
Guess what? I eat my own potty!

I am a black-naped hare.
Where am I?

I have a very small body
and really long legs.
My tail looks like it's
split down the middle.

**I am a two-tailed spider.
Where am I?**

I am hidden among leaf litter.
My wings have a special pattern!

I am a moth.
Where am I?

I spend all my life on trees in gardens.
When tiny insects come near me, I leap forward
and eat them up!

I am a bark gecko.
Where am I?

I love eating juicy, green leaves.
Watch out for an odd-shaped leaf – that might just
be me!

I am a grasshopper.
Where am I?

I have eight legs but I don't spin webs.
The flower I live in is the same colour as me!

I am a crab spider.
Where am I?

I can sit still for hours on end.
Listen for my chirps, mostly during dawn or dusk!

**I am a nightjar.
Where am I?**

I hold up my front legs in a fold, like I am praying.
Look for a swaying movement and you will know
it's me.

I am a praying mantis.
Where am I?

I spend a lot of time near water.
When you hear us call "drong drong",
you know the monsoon has arrived!

I am a bullfrog.
Where am I?
