

Hashim Saves the Mangoes

Authors: Ipsita Dasgupta, Rukmini Das

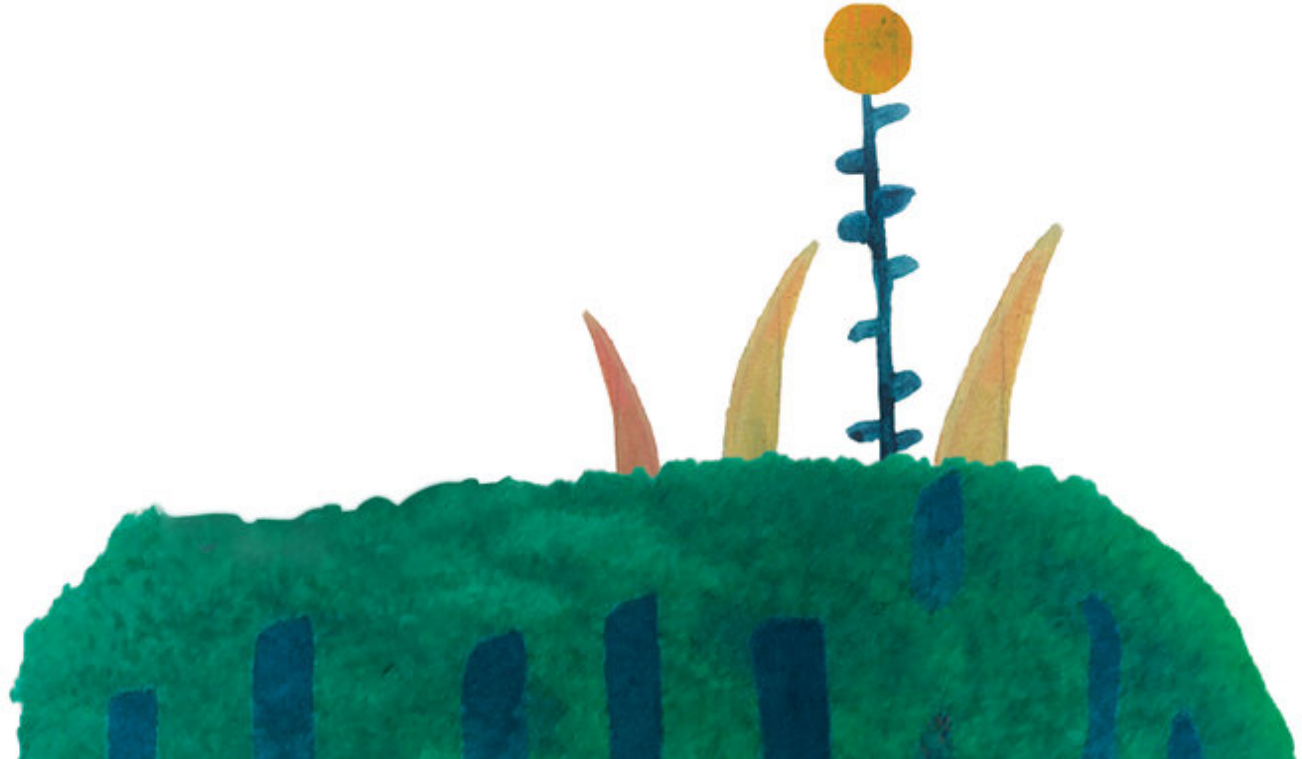

Illustrator: Ananya Broker Parekh

Hashim loves mangoes.

This summer, the mangoes are about to spoil.

Hashim wants to save them.

Baba tells Hashim that if he removes water from the mangoes, they will not spoil.

“Germs cannot live without water,” he says.

“How do we take water out of the mangoes?” asks Hashim.

“Add salt to them!” says Baba.

Then Baba and Hashim keep the mangoes out in the sun to dry.

They put the mangoes in a bottle with some oil.
Oil doesn't let germs from the air reach the mangoes.

“Baba, we have made pickle!” says Hashim.

**How can we preserve our favourite
fruits and vegetables?**

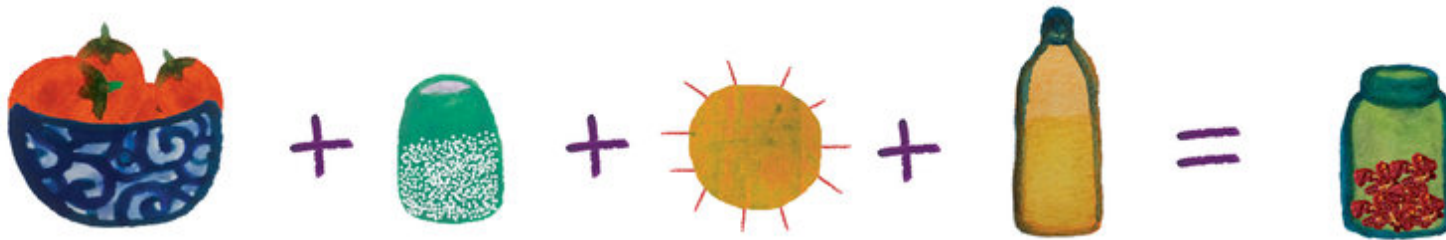

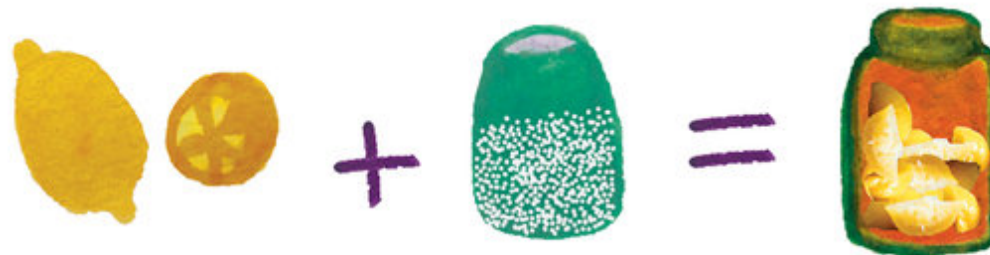

Potato slice + boil + dry = potato chips
(to be fried and eaten)

Any fruit + sugar + lemon + cook = jam

Tomato + salt + sun + oil = sun-dried tomatoes

Lemon + salt = lemon preserves

Hashim Saves the Mangoes

(English)

It is summer and Hashim wants to eat lots of mangoes. But they are getting spoilt. What can he do?

This is a Level 1 book for children who are eager to begin reading.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
