

The Adventures of Akara and Linio

Author: Kuzhali Manickavel

Illustrator: Aindri C

Level 2

Meet Akara and Linio. They are straight lines.
Akara is a standing line.

Linio is a sleeping line.

Come on, let's meet some of their other line friends!

See these curved lines? They are Archit and Squiggles.

This is Slopes! Slopes is a slanting line.

What are these friends going to do today?

They are going to make animal shapes together.

Look at this dog! Can you spot Linio?

Wow, look at this elephant! Where is Archit, can you see?

Hey, it's a turtle! Can you spot Squiggles?

What a lovely snail! And there's Slopes, can you see?

Woo-hoo, an owl!
Where's Akara?

Shhh! The lines are all resting now.
Making animal shapes is fun, but tiring!

The Adventures of Akara and Linio

(English)

Akara is a standing line. Linio is a sleeping line. The two friends go out to play with their other line friends. What do you think happens?

This is a Level 2 book for children who recognize familiar words and can read new words with help.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
