

Level 1

Wheel's Big Problem

Author: Sudhir Illustrator: Prashant Soni Translator: Brian Kavanagh

Wheel was very upset with Car.

Car often drove Wheel on very hot roads.

Car drove Wheel over sharp stones and through muddy roads.

Wheel thought, "Why don't I leave Car?"

So, he left to go look for a new vehicle.

Soon, he found Truck.

"Can I be your wheel?" he asked him.

"Sure, of course," Truck replied.

As Truck drove along, Wheel screamed, "Oh no, you are too heavy, I will get crushed!"

Next, he found Tuk Tuk.

"Can I be your wheel?" he asked. "Yes, of course!" Tuk Tuk replied.

As Tuk Tuk drove, he screamed, "Get off or you will overturn me!"

Wheel left to find another vehicle.

Wheel asked Bicycle if he could join him.

"No, you are not the same size," replied Bicycle.

Next, Wheel asked Horse-Cart.

But that didn't work out either.

Tired and sad, Wheel sat under a tree.

A boy came by and asked him, "Will you be my friend?"

"Yes!" Wheel said.

Now they swing together.

They play together.

They do everything together.
