Who Will Win?

Author: Ramya Nawaratne
Illustrator: Manavee Chadrasena
Translator: Alisha Berger
This is the Shapes Family.

Today, the Lantern Competition was announced in their town.
The Shapes get ready for the competition.
Circle got to work.

But, he wouldn’t let his little sister Triangle help him.
Ms. Rectangle said to her, “Make a lantern with triangles!”
Circle made a lantern with circles. He showed it to Mr. Square.

Triangle made a lantern with triangles.
“Don’t you think we are using the same old shapes?” asked Circle.

Triangle agreed.
Together, they made a new lantern with circles and triangles.
Mr. Square made a lantern with squares.

The Shapes finished making their lanterns.
The winning lantern design was announced.
It was the circle-triangle lantern!

Who Will Win?
(English)

A family of shapes is excited about the lantern competition. But they realize that if they want to win the competition, they will have to work together.

This is a Level 2 book for children who recognize familiar words and can read new words with help.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children’s stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child’s hand!
